A Merry Heart.

Tis well to have a marry heart, However short we size: There's wisdom in a merry heart, Whate'er the world may say? Philosophy may lift its bond And find out many a flow, But give me the philosophy

That's happy with a straw! Mide but beings us happiness-It brings us, we are fold, What's hard to buy, though sich mentry,

With all their hoops of gold! Then hugh away-let others say Whatchethey will of mirely; Who looghs the most may truly boast He's got the wealth of earth?

There's beauty in a merry laugh, A named founds mo-It shows the heart's an honest heart. That's paid such man his doc, And lent a share of what's to spare Despite of Wiedom's fours,

And made the cheek less server speak,

The eyes very fewer tears, The sure any should held in clerk, The tempest-weath begin, It finds a spack to these the dark, Its smilght is within? Then brigh away, lot others say What'er they will of mirth; Who laughs most nexy truly loost He's got the wealth of earth?

....

The South to the North sends Greeting. BY MOUNT MINISTER, Northern bothern; why this haring (if your Southern bestiers here?

Are they bells that ye are buting, Till they Il light the more severe? What is now your wild ambition-Would you see the sustain full? Do you think that Abeliance Is the rock on which to call?

Discrete Phinals in standards we stressed Twill aphold the Colon stiff: Do you think, though treated wrongly, Southern men have not a will? Do you think to keep possession Of the slaves that traines steal? the that was will brack appropriate,

And move draw th' averaging strell Think not lightly on this exists: Books, though firm, in time decey; "Travelers Taions" have their prices, Constant disagging weats away; Angre words and agranton, Of a wrong will make to right.

Civil was would turn to acobe. Elapsy years we've lived together. Like a fine onivellend, Dot a load by single-feather May be more than mon will stand; Detter Shoold that plants begiven To the waiting waward wind, Thus the friest had bet Howes,

Brightest day of greatest nation.

What is grained by agriculture, And the strife of sugre words, If is being this happy ration. Turbicalish of bloods woods? Who shall pain but vile audition, That is leading on this strife! Bette if he will no condition,

Bedestroyed by next so blind.

Bond or free, that breathes in his. Bothers still may be united, And support the stripes and stars, And the faith our fichers plighted On the field of war-god Mars ! But you most, like learliers willing, Stop the tongues of wicked knaves, Who the nation now are killing,

In protonce of freeling slaves. What will nations o'er the section Think of us if we should part? Parting for the wildest notion Ever HI'll the because heart; Freefata then may well be sighing O'er the rain railing here,

Tyrastethen in tryumph crying, Gleat ground our Union's bier.
